SUBJECT: Month End TRR Communication – Additional File

It has come to CMS' attention that the Month End TRR that was pushed to Plans on May 25, 2006, may have been missing records for some Plans. As a result, CMS has reconstructed the file and will be pushing a file containing the missing records to affected Plans on Wednesday, June 14th. **Please note that only contracts with missing records will receive a file and only the missing records are being sent.**

The following naming convention will be used for the data file:
e.g. P#MMA.@BGD5050.PLNxxxxx.**R062006A**.TRNDATA

The Report File naming convention will be:
e.g. P#MMA.@BGD5050.PLNxxxxx.**R062006A**.TRNREPLY

CMS assumes that Plans have previously processed the May 25 file and should need only to apply these transactions. If the Plan has not processed the original file, the two files should be combined and processed.
